

# BICYCLE RODEO KIT

**BUCKY  
SAYS:**

Thanks so much for holding a bike rodeo! Your efforts will reduce injuries and save lives. *Eight-five percent of all head and brain injuries will be avoided if helmets are worn correctly.*

The kit contains "must return" items:

- **1 Wheeled Plastic Tote**
- **"The Guide to Bicycle Rodeos"** by two well-known bicycle safety leaders, John Williams and Dan Burden
- **1 set of 27 Laminated Station Posters** - to be used for the various bike rodeo stations
- **50 Orange Poly-resin Traffic Cones**
- **4 Orange Plastic Traffic Cones**
- **11 x 17 Dry Erase Board and Marker** - to plan your rodeo layout
- **Reaction Test Ruler** - to measure a riders brake reaction time
- **"On The Job" First Aid Kit** and unused contents - to use in case of an injury  
*We recommend you have an emergency plan for your event.*
- **Incident Report Form** - to note any incident that required use of First Aid Kit
- **Returnable Items Checklist Form**  
(All Returnable Items NOT returned will be deducted from your deposit.)

The kit contains usable items:

- **Certificates of Achievement**
- **Bicycle Driver's Licenses**
- **Bike Check Cards**
- **Sidewalk Chalk** -  
to mark rodeo direction of travel on pavement

*Please return all unused items so that we may use them for the next youth group.*

Please reserve your rodeo kit as far in advance as possible. Rodeo Kits are on a first come first serve basis. Please e-mail [ttichy@safenebraska.org](mailto:ttichy@safenebraska.org) with your event date and number of children that will be served at your rodeo. Also, include your phone number in the e-mail. You will be contacted to make your reservation.
