About the National Safety Council, Greater Omaha Chapter

Founded in 1924, the National Safety Council, Greater Omaha Chapter, is a private non-profit, community based organization that promotes safety and health by providing programs, resource services and education to individuals and organizations to prevent both the personal and economic loss associated with injuries, accidents and health hazards wherever they exist. Under the leadership of the National Safety Council, Greater Omaha Chapter, the greater Omaha metro area was recently designated a Safe Community by the United Nation's World Health Organization (WHO).
