

## Does your child already have their POP or license and you feel they need a refresher?

The National Safety Council, Nebraska offers the “Alive at 25” program.

This young driver intervention program zeroes in on drivers between 16 and 24. The course packs a powerful punch in just 4 hours! Participants receive a National Safety Council Certificate of Completion.

Curriculum includes information on:

- ✓ Why they often underestimate risk
- ✓ The effects of inexperience, peer pressure and such distractions as cell phones, text messaging, MP3 players and GPS units
- ✓ State and local driving laws and regulations
- ✓ Communication skills for assertiveness and being a young leader
- ✓ Responsibility of passengers
- ✓ The effects of speed
- ✓ Following Distances for Cars and Trucks
- ✓ Seat belts, Not Just the Law....a Good Idea!
- ✓ Alcohol, Drugs and Driving

All of this valuable information for \$69.00.

Another option would be to combine the 4 hour Alive @ 25 class session with a 2 hour behind-the-wheel refresher with a National Safety Council, Nebraska – Nebraska DMV certified instructor. The cost of this combined course \$150.00. The instructor will review their skills and offer corrective suggestions. Also, the instructor will administer a drive test and we will mail the parent a copy of the drive test score sheet.
