

BICYCLE RODEO KIT

BUCKY SAYS:

Thanks so much for holding a bike rodeo! Your efforts will reduce injuries and save lives. *Eight-five percent of all head and brain injuries will be avoided if helmets are worn correctly.*

The kit contains "must return" items:

- **1 Wheeled Plastic Tote**
- **"The Guide to Bicycle Rodeos"** by two well-known bicycle safety leaders, John Williams and Dan Burden
- **1 set of 27 Laminated Station Posters** - to be used for the various bike rodeo stations
- **50 Orange Poly-resin Traffic Cones**
- **4 Orange Plastic Traffic Cones**
- **11 x 17 Dry Erase Board and Marker** - to plan your rodeo layout
- **Reaction Test Ruler** - to measure a riders brake reaction time
- **"On The Job" First Aid Kit** and unused contents - to use in case of an injury
We recommend you have an emergency plan for your event.
- **Incident Report Form** - to note any incident that required use of First Aid Kit
- **Returnable Items Checklist Form**

(All Returnable Items NOT returned will be deducted from your deposit.)

The kit contains usable items:

- **Certificates of Achievement**
- **Bicycle Driver's Licenses**
- **Bike Check Cards**
- **Sidewalk Chalk** -
to mark rodeo direction of travel on pavement

Please return all unused items so that we may use them for the next youth group.

Please reserve your rodeo kit as far in advance as possible. Rodeo Kits are on a first come first serve basis. Please e-mail ttichy@safenebraska.org with your event date and number of children that will be served at your rodeo. Also, include your phone number in the e-mail. You will be contacted to make your reservation.
