2012 First Aid/CPR/AED

Basic Life Support, Safe With You, Babysitting Omaha Area Course Schedule

Nebraska

First Aid CPR/AED 2012 Omaha Area Schedule

Why First Aid, CPR, AED?

Child Care Providers

Nebraska has both existing and new rules - we cut through the confusion to get you into compliance quickly and easily. Choose Pediatric First Aid/CPR/AED and Safe With You.

Businesses

OSHA requires businesses to provide access to medical care in an emergency. Even if you are allowed under OSHA standards to rely on 911, having first responders on site can greatly reduce the trauma that comes with emergencies. Our courses are expert driven, and can be customized to meet emergencies likely to occur at your facility. Training at our location, or we'll come to you.

Parents

Give yourself the confidence of knowing you can help your children in an emergency. Choking, falls, cuts and scrapes are common. When your own kids are old enough to want to babysit other children, our Babysitting Course gives them, you and the parents of the children they are watching the confidence of knowing babysitting will be a job well done!

First Aid / CPR / AED for All

Everyone should consider being trained in first aid – and our courses are open to everyone – even if you've never taken a course before. You'll leave confident that if you are ever called upon to save a life, you'll know what to do!

Purchasing an AED?
We offer Phillips AEDs
at Great Prices!

What Makes *Our* Courses Outstanding:

- **Learn from the Pros!**
Our certified instructors are health care providers, EMTs and firefighters who face life-threatening emergencies every day!
- **Longer Certifications!**
Our nationally recognized certification is longer, giving you more for your money - a 3-year First Aid certification and 2-year CPR certification!
- **Nationally Recognized!**
National Safety Council First Aid/CPR/AED is a nationally recognized program.
- **Meets and Exceeds!**
National Safety Council training meets and exceeds state and OSHA requirements!

What People are Saying:

"The AED/CPR training provided by the National Safety Council is excellent. The instructors make learning fun and enjoyable. It is a very important to know this training because you never know when you might be able to save someone's life. I highly recommend the instructors from the National Safety Council."

Carol Anderson - Lincoln Financial Group Insurance Company

"I use the National Safety Council for all CPR/First Aid training for employees in the Omaha area. They have always been responsive to our needs and are great to work with as far as scheduling and material."

John Thiem, Risk Manager - First Data USA
