National Safety Council, Nebraska

2012 OSHA Compliance 1910 & 1926 Workshops

OSHA 1910 General Industry 10-hour Workshop/30-hour Workshop

Every employer is required to meet minimum federal workplace safety standards. OSHA Outreach Instructors provide you and your workers with the knowledge, skills and tools to help meet OSHA's requirements. Topics include; introduction to OSHA, OSH Act, machine guarding, HazCom, walking/working surfaces, BBP, means of egress, lockout/tagout, recordkeeping, PPE, safety & health programs and more. All participants will receive a laminated certification card from OSHA and a binder of useful training information from the OSHA Training Institute.

OSHA 1926 Construction Industry 10-hour Workshop/30-hour Workshop

Every employer is required to meet minimum federal workplace safety standards. OSHA Outreach Instructors provide you and your workers with the knowledge, skills and tools to meet OSHA's requirements. Topics include: Introduction to OSHA, OSHA Act, Electrical, Fall Protection, Materials Handling, Scaffolds, Excavation, Trenching and more. All participants will receive a laminated certification card from OSHA and a binder of useful training information from the OSHA Training Institute.

Take your career in safety to the next level!

The National Safety Council's Certificate in OSHA Compliance is ideal for those with OSHA compliance responsibilities, but little or no formal safety education! Individuals who have taken 1910 or 1926 10 hour or 30 hour courses are WAIVED from the introductory course. Visit our website or call for more information!
