National Safety Council, Nebraska

2012 Coaching the Van Driver

The leading cause of workplace injury is motor vehicle crashes. A split-second decision on the road may be the difference between life and death. Injury collisions affect the driver(s), passengers, their families, insurance rates, production, etc. "Hidden costs" of an injury are devastating to a company!

Take your driving experience to a higher level; this defensive driving class is developed for both cargo and passenger van drivers.

- Pre-trip vehicle inspection
- The importance of safety belts
- Safely crossing intersections
- City, highway, and rural driving
- The "cushion of safety"
- Hazard identification and avoidance

PLUS ...check with your insurance company for possible premium discounts for attending this class!
